### **Theatre Touring Network project (TEKIJÄ) 2011-2013**

TEKIJÄ is a 2,5-year-long-project coordinated by Centre for Practise as Research in Theatre (University of Tampere) and partly funded by European Social Fund (ESF). The project will be realised in 2011-2013.

TEKIJÄ aims to increase national collaboration beyond language boundaries between subsidized municipal theatres and independent professional theatre groups by creating a framework for touring activities.

TEKIJÄ coordinates pilot tours and organizes independent study blocks and seminars on theatre touring and producing in cooperation with Metropolia University of Applied Sciences and Baltic Circle (Q-Teatteri ry) festival.
